## Functional Family Therapy Supervisor Apprenticeship Program

Are you ready to ensure continuity in your Functional Family Therapy (FFT) program? Introducing the Supervisor Apprentice Program, designed to empower qualified therapists to step into supervisory roles seamlessly.

### Key Features:

- **Enhanced Stability:** Prepare a backup supervisor for times of leave or transition.
- **Streamlined Succession:** Shorten the supervisor succession process for Phase 3 sites.
- **Quality Incentive:** Motivate aspiring supervisors with a clear pathway to leadership.

- **Duration:** 1 year
- **Ongoing Monitoring:** Ensures apprentice readiness for full supervisory responsibilities.
- **Cost:** \$10,000 (excluding travel expenses)

# Functional Family Therapy Supervisor Apprenticeship Program

## Eligibility Requirements

To participate in the program, sites must meet the following criteria:

- Phase 3 status and good standing
- Current Site Supervisor willing to mentor the apprentice
- Apprentice FFT therapist with 20 completed cases, minimum Fidelity rating of 4.0, Dissemination Adherence of 5.0, and leadership qualities

**The Supervisor Apprenticeship Program is designed for long term sustainability, not to replace a current Supervisor leaving their position or to fill an open vacancy of the FFT Site Supervisor position.**

## Program Overview

- **Part One:** 1-year training with ongoing consultation and monitoring. Apprentice can stand-in for supervisor after six months.
  - Activities include:
    - Apprentice will attend an FFT LLC Supervisor 1 training session
    - Apprentice will join consultation calls with the current FFT site supervisor
    - 1 day on-site Apprenticeship Training
    - FFT Site Supervisor and Apprentice are required to complete a monitoring record of supervisor/apprentice activities.
- **Part Two:** Transition to supervisor role (applicable when current site supervisor is leaving this position)
  - Pre-transition: Consultation calls with FFT Consultant.
  - Upon transition: Weekly consultations for one month, then return to phase 3 protocol.

**Prepare for the future of your FFT program!**
